Dear Board;

This letter serves as acknowledgement of the commitment of the City of Adel to support the I-Jobs application being submitted for flood mitigation and control.

The City has reserve funds, up to 50% of the project costs, to match any funds awarded through this grant application.

On behalf of the City Council and the Citizens of Adel, I fully support the submittal of this application and encourage the board to give full consideration to the merits of the application in protecting our community from further flood events.

Should you have any questions, please do not hesitate to contact me through the Adel City Hall.

Sincerely,

James F. Peters
